

Bronwynn Mertz

Bronwynn Mertz is Australian (that's not her fault!). She is an actress, Cliniclown, impro player/ teacher, voice-over artist (well it saves on the make-up), ect...

Tätigkeiten

She has lived in Vienna since 1992 where she performs in both English and German (often simultaneously!) with the English Lovers, Meet the Monster, the Vienna Theatre Project, amongst others.

Since 2002 she has been a regular participant in 13 major international impro-theatre festival/ensembles. Her greatest inspirations (as if she needed any) come from her son Zackery , her partner Roland and the love and laughter they find in life.
