

Michael Smulik

Schauspieler, Regisseur, geb. 1970 in Port-Elizabeth, Südafrika.
Lebt seit 1991 in Wien.

Was born in Port-Elizabeth, South Africa to a bi-lingual couple (that's not an offence over there) in 1975 .

Ausbildungen/Education

1994 bis 1997 Schauspielstudium am Konservatorium der Stadt Wien.

After a turbulent and infuriating school career followed by an equally frustrating attempt at leading a normal life, he finally emigrated to Austria at the age of twenty-one - by mistake!

Originally he was on his way to Holland, the land of freedom and civilisation, when he found himself broke in Vienna (who isn't?).

Starting from scratch, he took various jobs but found himself bored, overeducated and under-challenged at the age of twenty-four. Taking the advice of a girlfriend, he decided to try out for the Konservatorium drama class and was accepted. Thus began a new, turbulent and infuriating school career culminating in expulsion from the school after three years.

Michael then decided to complete his training and acquired a drama diploma via the Actor's Union. Since then he has played in every major Austrian city, and some not so major ones too, in English and German.
